Work Experiences

2018-Present **RG para Pets®** - Full Stack Developer of a ecommerce/pet registration system.

Responsible for building the e-commerce with customized products, server management, design of products, and validation of ideas. Customer support experience helping users using the system. Implementation using APIs, of third-party applications, like a SaaS for creating shipping tags and tracking order delivery. Manage integration of payment gateways like PayPal and Mercado Pago. Implementation of a pet registration system where the pet tutor can manage pet health and other relevant information.

Today, I'm responsible for the maintenance, and stability of the website and also to develop and implementing new features.

2015-2018 **Siqueoli Web Solutions** - Freelancer

Developing WordPress websites mainly for local businesses. Small projects mostly of institutional websites with features like contact forms.

Also work on the prospection of clients and the whole project management, understanding the client needs and developing solutions within their budgets.

2011-2014 **Accounting Advisor Offices** - Accountant Assistant

Customer Service working with accounting routines, elaboring financial reports that help enterprises to make better decisions. First contact with programming by realizing that I could automate some tasks using tools like Excel for example.

Academic History

2015-2018 **UEL - State University of Londrina** - Physics Bachelor Degree - Six semesters completed

2013-2014 **UNESPAR - State University of Paraná** - Graduate Degree on Financial and Accounting management

2010-2013 **UNESPAR - State University of Paraná** - Accounting Bachelor Degree

Why should you hire me?

If you want someone passionate about learning with a genuine curiosity and committed to trying, I can help.

No one knows everything, but we have to know how and where to find answers and that, I can do.

I have made whole e-commerce from scratch with almost no money, I can do more being part of a team with the right support.
